25X1A

*DD/R Action* DD/R reported that there was a successful [redacted] overflight  
yesterday and that this left one approval outstanding. DCI directed DD/R  
to request the Special Group this week for approval for two more flights.

*DD/R* DD/R was requested to furnish the report on the development of  
supersonic aircraft including the information which had been gotten from  
Kelly Johnson.

The DCI noted that Dr. Killian had again raised the question of the  
organization of the scientific and technical intelligence community within  
the Agency and that we could expect further pressure on this subject.
